Mark Zeff
of **Markzeff**

8

Jaime Hayon
for **DDC**

9

product Constantine
standout The Bronze Age meets the 21st Century in an ottoman boasting a regal red-leather seat and removable tray; coordinating desk, table, and chairs round out the collection. Through Maison Gerard, maison Gerard.com. **circle 423**

product T
standout The designer covered his lightweight mushroom-shape side tables in whimsical waves, chessboards, chevrons, and curls for a dizzying op-art effect. ddcnyc.com. **circle 424** ➤

9

Deborah Moss
of **Moss & Lam**

6

Mac Stopa
for **Casali A.V.**

7

product W1
standout This collection of tables, each named for a street in London's central district, is hand cast using the scagliola marbling method of mixing plaster with pigments. Through Avenue Road, avenue-road.com. **circle 421**

product Mira
standout A parametrically designed pattern lacquered on the table's glass top lets light filter through to the floor below, while polished aluminum legs tessellate into various shapes. casali.net. **circle 422**
